Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Refunds, if applicable and requested, will be made within 30 days of request via the original payment method.

If cancellation occurs at any time within 7 calendar days after the institution accepts enrollment, the student may request a refund of all money paid to the institution. After 7 days, the institution may retain the \$95 non-refundable tuition deposit and other non-refundable fees as applicable (e.g., STRF / S&H / payment plan fees). If third-party payment is used for tuition (e.g., TA, Ch33 GI Bill, etc.), the deposit amount may be charged directly to the student upon cancellation.

REFUND CALCULATION

Undergraduate courses (courses with published start and end dates):

1. The course start date is considered the first class.
2. Cancellation up through 60% of the duration of the term will result in a prorated refund. Rate is computed by dividing the number of term days through the date of cancellation by the total days in the term.
3. Cancellation after 60% of the duration of the term will result in no refund for the term.
4. Students who withdraw as a result of physical incapacity are entitled to a prorated refund through the end of the term. Medical documentation required.

Self-paced certificate courses:

1. The first completed quiz is considered the first class.
2. Cancellation before 60% completion of course quizzes will result in a prorated refund computed on the number of quizzes completed to the total quizzes in the course.
3. Cancellation after completing 60% of the course quizzes will result in no refund.
4. Students who withdraw as a result of physical incapacity are entitled to a prorated refund through the end of the enrollment period. Medical documentation required.
5. Beyond the conclusion of the original 4-month enrollment period, students enrolled in self-paced certificate courses are no longer eligible for refunds in any amount.

Iowa students are entitled to a 100% refund of tuition through the first day of class.

Students who have received federal student aid funds and cancel up through the 60% point are entitled to a refund of moneys not paid from federal student aid program funds, if applicable.

Loan recipients are still responsible for repaying the balance of a received loan.

If a student obtains a loan, the student must repay the full amount of the loan plus interest. If the student is entitled to receive a refund and intends to apply the refund to payment of the loan, it is the student's responsibility to do so.

ISSA accepts cancellation in any manner. However, California state statutes require that students verify cancellation in writing. Therefore, please supplement any verbal requests with written notice within 30 days. Written notice can be in any form including email (billing@issaonline.edu), fax (1.805.745.8119) or mail (1015 Mark Ave, Carpinteria, CA 93013).

Please return materials and textbooks to 1015 Mark Ave, Carpinteria, CA 93013.

Guided Study upgrades cannot be returned without withdrawing from the corresponding certificate course entirely. Guided Study course refunds are based on the percentage of course completion, detailed under the refund calculation for self-paced certificate courses.

ISSA reserves the right to cancel a student's enrollment for violations of student conduct, including, but not limited to, a student's lack of attendance.
